Date filed: February 29, 2008

Name of company covered by this Certification: Alliance Technologies, LLC

Form 499 Filer ID: 826873

Name of Signatory: Andrew Thompson

Title of signatory: President

I am the President of Alliance Technologies, LLC and as such do hereby certify, affirm, depose, and say that I have authority to make this Customer Proprietary Network Information ("CPNI") Annual Certification of Compliance on behalf of Alliance Technologies, LLC. I have personal knowledge that Alliance Technologies, LLC. has established adequate operating procedures to ensure compliance with the Commission's CPNI rules as set forth in 47 C.F.R. § 64.2001 et. seq.

Attached to this Certification is an Accompanying Statement explaining how Alliance Technologies, LLC. procedures ensure compliance with the requirements set forth in 47 C.F.R. § 64.2001 et seq.

Alliance Technologies, LLC received no customer complaints in the past year concerning the unauthorized release of CPNI. Further, Alliance Technologies, LLC has taken no action against data brokers for the unauthorized release of CPNI during calendar year 2007. Alliance Technologies, LLC will report any information it may obtain with respect to the processes pretexters are using to attempt to access CPNI and what steps the Company is taking to protect CPNI.

This certification is dated this 19th day of February, 2008.

Andrew Thompson
President
Alliance Technologies, LLC

Customer Proprietary Network Information Certification Attachment A

Alliance Technologies, LLC has established practices and procedures adequate to ensure compliance with Section 222 of the Communications Act of 1934, as amended, ("section 222") and the Federal Communications Commission's ("FCC") rules pertaining to customer proprietary network information ("CPNI") set forth in sections 64.2001 – 64.2011 of the Commission's rules. This attachment summarizes those practices and procedures, which have been updated so that they are adequate to ensure compliance with the Commission's CPNI rules, as modified by the Commission in 2007.

Alliance Technologies, LLC provides private telecommunications services over dedicated lines to large enterprise and carrier customers pursuant to ICB contracts. Alliance Technologies, LLC's customer contracts uniformly contain confidentiality agreements that address customers' private information. It is Alliance Technologies, LLC's policy not to disclose CPNI except as specifically set out in its contracts with its customers and where required by law.

Safeguarding against pretexting

- Alliance Technologies, LLC takes reasonable measures to discover and protect against attempts to gain unauthorized access to CPNI, including the authentication of customers prior to disclosing CPNI based on customer-initiated contacts. Alliance Technologies, LLC is committed to notify the FCC of any novel or new methods of pretexting it discovers and of any actions it takes against pretexters and data brokers.

Training and discipline

- Alliance Technologies, LLC has an express disciplinary process in place for violation of the Alliance Technologies, LLC's CPNI practices and procedures. Alliance Technologies, LLC employees are required to review and abide by Alliance Technologies, LLC's Code of Conduct, which, prohibits all employees from using customer information other than for providing service to the customer or as required to be disclosed by law.

Alliance Technologies, LLC's use of CPNI

- Alliance Technologies, LLC uses CPNI for the following purposes:
 - (1) To initiate, render, maintain, repair, bill and collect for services
 - (2) To protect its property rights; or to protect its subscribers or other carriers from fraudulent, abusive, or the unlawful use of, or subscription to, such services;
 - (3) For network maintenance; and
 - (4) As required by law.

- Alliance Technologies, LLC does not distribute CPNI to third parties for their sales or marketing purposes. Nor does Alliance Technologies, LLC share, sell, lease or otherwise provide CPNI to any of its affiliates, suppliers, vendors, or any other third party for the purpose of marketing any service.
- Alliance Technologies, LLC does not share, sell, lease or otherwise provide CPNI to any third party except pursuant to appropriate non-disclosure agreements. Alliance Technologies, LLC will not otherwise disclose CPNI to a third party except when required by a lawfully issued government subpoena.

Additional safeguards

- Alliance Technologies, LLC does not use CPNI for marketing purposes and therefore does not have records to maintain regarding marketing campaigns that use its customers' CPNI.
- Alliance Technologies, LLC has established a supervisory review process designed to ensure compliance with the FCC's CPNI rules.
- Alliance Technologies, LLC designates one or more officers, as an agent or agents of the Alliance Technologies, LLC, to sign and file a CPNI compliance certificate on an annual basis. The certificate conforms to the requirements set forth in FCC rule 64.2009(e).
- Alliance Technologies, LLC does not disclose CPNI over the phone and does not allow for online access to CPNI.
- In the event of a breach of CPNI, Alliance Technologies, LLC will comply with all applicable breach notification laws.
